

60+ SUBSIDY CHECKLIST

Instructions: This checklist, to be completed by the caseworker, is REQUIRED for each child when the pre-guardianship or pre-adoptive caregiver(s) is (are) age 60 and older. The completed checklist will be reviewed in detail at the Child and Family Team Meeting in conjunction with the assigned Adoption Liaison/Coordinator (this may be done in conference or by phone) along with the back-up caregiver (in person or by phone) and a determination made as to whether additional permanency planning is necessary. If additional permanency planning is required, the family will be referred to the Child Protection Mediation Program (in Cook County), Metropolitan Family Services Older Caregiver Program (in Cook County), or to additional planning or services. If no additional permanency planning is required, the assigned DCFS Adoption Liaison/Coordinator signs the completed checklist reflecting agreement with the planning, and the original checklist will be maintained in EACH individual child's file.
