Business Address, City, State, ZIP Code

SECTION 4: Inventory Schedule

Complete and attach the Inventory Schedule including the information for each sale during the preceding quarter (continue on additional sheets as needed). In lieu of completing the Inventory Schedule, you may attach separate documentation setting forth the information required. All such information must be separately identified in a manner that conforms to the column headers in the Inventory Schedule. See Important Information for definitions.

Description of Heavy Equipment Sold, Leased or Rented				Type of Sale, Lease or Rental	Sale Price, Lease or Rental Amount	Unit Property Tax
Date of Sale, Lease or Rental	Item Name	Identification/ Serial Number	Name of Purchaser, Lessee or Renter			
Total for this page only						
Total unit property tax this quarter						

* Contact either the tax assessor-collector or appraisal district for the current unit property tax factor. The unit property tax factor is calculated by dividing the aggregate tax rate by 12. If the aggregate tax rate is expressed in dollars per \$100 of valuation, divide by \$100 and then divide by 12. It represents one-twelfth rate at the location where the inventory is located on Jan. 1 of the current year.

SECTION 5: Breakdown of Units Sold, Leased or Rented and Transaction Amounts for the Preceding Quarter

Part 1: Number of Heavy Equipment Units

Provide the breakdown of sales, leases and rentals for the preceding quarter by the number of units for the inventory for which you are filing this statement.

_____ Net Heavy Equipment Inventory	_____ Fleet Transactions	_____ Dealer Sales	_____ Subsequent Sales
--	-----------------------------	-----------------------	---------------------------

Part 2: Transaction Amounts

Provide the sales, lease and rental transaction amounts for the preceding quarter for the inventory for which you are filing this statement.

\$ _____ Net Heavy Equipment Inventory	\$ _____ Fleet Transactions	\$ _____ Dealer Sales	\$ _____ Subsequent Sales
---	--------------------------------	--------------------------	------------------------------

SECTION 6: Certification and Signature

If you make a false statement on this form, you could be found guilty of a Class A misdemeanor or a state jail felony under Penal Code Section 37.10.

I, _____, swear or affirm that each fact contained in this tax statement is true and correct.

Important Information

GENERAL INFORMATION

Heavy equipment inventory dealers must file this tax statement with the tax assessor-collector, together with a quarterly payment of the total property tax assigned to all heavy equipment sold, leased or rented in the preceding quarter (Tax Code Section 23.1242). A dealer that does not sell, lease or rent heavy equipment during a quarter is required to file a statement indicating the dealer made no sales, leases or rentals in the preceding quarter. The dealer must retain complete and accurate records documenting the disposition of each item of heavy equipment sold, leased or rented by the dealer for at least four years from the item's disposition date. A dealer may use no other form but this for the purpose of heavy equipment inventory tax statement (Tax Code Section 23.1242(f-1)).

FILING INSTRUCTIONS

You must file a completed quarterly tax statement and tax payment with the assessor-collector. **Do not file this document with the Texas Comptroller of Public Accounts.** Contact information for appraisal districts and county assessor-collectors is located on the Comptroller's website.

FILING DEADLINES

Except as provided by Tax Code Section 23.1242(g), you must file a statement and prepayment of taxes on or before the **20th** day of the month following each quarter.

FILING PENALTIES

In addition to other penalties provided by law, a dealer who fails to timely file a statement must forfeit a penalty of \$500 for each month or part of a month in which a statement is not timely filed after it is due. A tax lien attaches to the dealer's business personal property to secure payment of the penalty. An owner who fails to remit unit property tax due must pay a penalty of 5 percent of the amount due. If the amount due is not paid within 10 days after the due date, the owner must pay an additional 5 percent of the amount due. Unit property taxes paid on or before Jan. 31 of the year following the date on which they are due are not delinquent.

OTHER IMPORTANT INFORMATION

The chief appraiser or collector may examine a dealer's records pursuant to Tax Code Sections 23.1241(g) and 23.1242(f-1).

Not later than Dec. 15 of each year, the collector must provide written notice to each owner for whom the collector maintains an escrow account of the unit property tax factor for the following tax year for each location in which the owner's heavy equipment inventory is located (Tax Code Section 23.1242(b-1)).

DEFINITIONS

Type of Sale, Lease or Rental: Provide one of the following codes for each sale, lease or rental reported.

- **HE – Net Heavy Equipment Inventory** – Sales, leases and rentals of heavy equipment less fleet transactions, dealer sales and subsequent sales. Heavy equipment means self-propelled, self-powered or pull-type equipment, including farm equipment or a diesel engine, which weighs at least 1,500 pounds and is intended to be used for agricultural, construction, industrial, maritime, mining or forestry uses. The term does not include a motor vehicle that is required to be titled under Transportation Code Chapter 501 or registered under Transportation Code Chapter 502.
- **FL – Fleet Transactions** – The sale of five or more items of heavy equipment from your inventory to the same buyer within one calendar year.
- **DL – Dealer Sales** – Sales of heavy equipment to dealers.
- **SS – Subsequent Sales** – Dealer-financed sales of heavy equipment that, at the time of sale, have dealer financing from your inventory in this same calendar year. The term does not include a rental or lease with an unexercised purchase option or without a purchase option.

Sales Price, and Lease or Rental Amount: Sales price is the total amount of money paid or to be paid to a dealer for the purchase of an item of heavy equipment; or for a lease or rental, the total amount of the lease or rental payments received for an item.

Unit Property Tax: To compute for sales, multiply the sales price by the unit property tax factor. For a lease or rental transaction, multiply the monthly lease or rental payment received by the unit property tax factor. For fleet transactions, dealer sales and subsequent sales that are not included in the net heavy equipment inventory, the unit property tax is \$0. If no unit property tax is assigned, provide the reason. Provide the total unit property tax for the quarter that will be submitted with the statement to the assessor-collector.
